

**TOWN OF EDGEWOOD  
RESOLUTION NO. 2019-25  
A RESOLUTION TO MOVE TOWN OF EDGEWOOD OPERATIONS TO 100  
PERCENT RENEWABLE ENERGY USE**

**WHEREAS**, the world scientific community has described the warming climate as an existential crisis; and

**WHEREAS**, world governments and many other organizations have designated climate crisis as the single largest threat to health welfare and economic stability; and

**WHEREAS**, the State of New Mexico has pledged to reach 100% renewable energy use by 2045; and

**WHEREAS**, the Town's use of renewable energy will help to reduce the possible effects of radical climate change; and

**WHEREAS**, the long-term projected savings to the town will be a benefit and have been proven through the town's current renewable use as well as by other organizations; and

**WHEREAS**, the Town of Edgewood seeks to be a leader in the state and be an exemplary community in its adoption and use of renewable energy to assist in the State of New Mexico's goal to be 100% renewable; and

**NOW, THEREFORE, BE IT RESOLVED** by the Town of Edgewood Governing Body that:

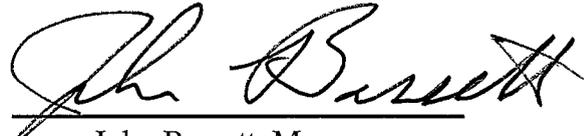

The Town of Edgewood supports and encourages the move to renewable energy. The administration of the Town will here forward review annually the Town's use, incorporation, and economic value to the Town of renewable sources of energy.

Identifying and reporting progress, activities, benefits, and identify future projects to meet or exceed the State of New Mexico goals.

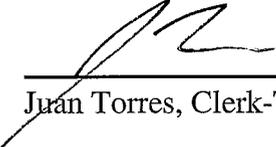

And: Be it also resolved that renewable energy sources and new technology identified as offsetting or eliminating non-renewable uses be adopted and implemented as quickly as possible to meet the State of New Mexico goals.

And: Be it also resolved that the Town herein sets a goal to achieve 100% renewable energy use as quickly as is technically and economically feasible in all Town uses.

**PASSED, APPROVED and ADOPTED by the governing body at its meeting of December 18, 2019.**
